2025 Commercial Feed and Animal Remedy Annual Report

The South Dakota Department of Agriculture and Natural Resources Inspection, Compliance, and Remediation Program under the authority of SDCL 39-14 and 39-18 provides for sampling and analysis of commercial feed and animal remedy products sold in South Dakota. Analyses of all products distributed under the law are in this report.

State Inspectors randomly sample commercial feed and animal remedy products throughout South Dakota. The following summary of samples was analyzed, and results provided by the Analytical Services Laboratories located in Brookings, South Dakota.
