South Dakota Industrial Hemp Program CROP DISPOSAL REPORT

Guidelines and Instructions

- This page contains guidelines and instructions and is not part of the Crop Disposal Report. Do not submit this page with your report.
- Please type or print clearly in blue or black ink. Do not print on both sides of the paper. Report must be complete and legible.
- You **MUST** retain copies of all reports and records to be in compliance with the South Dakota Industrial Hemp Program.
- Use this form to report disposal of Industrial hemp crop that has been chemically or mechanically destroyed, or destroyed by a natural disaster/weather event, or when Industrial hemp sample test result is above the acceptable THC level as established by the USDA guidelines and no remediation is planned.
- Crop Disposal Report must be filed with the Department within 72 hours of disposal date for a non-compliant crop and for Industrial hemp crops disposed for other reasons than noncompliance.
- NOTE: Crop Remediation Report is a separate document that must be completed for whole plant or flower removal remediation.
- Mail completed form to the South Dakota Department of Agriculture and Natural Resources, 523 East Capitol Avenue, Pierre, SD 57501.
