

2022 Flowchart for South Dakota *PRIVATE* Pesticide Applicators

Options open December 1st, 2021 for renewing or obtaining a Private Pesticide Applicator License.

A **Private** Pesticide Applicator License is required if you are **applying** any type of pesticide (*herbicide, insecticide, fungicide, rodenticide, etc.*) on agriculture land that you own/lease/rent that has the potential of producing more than \$1,000 of an agricultural commodity.

A **Private** Pesticide Applicator License is required *anytime* a Restricted Use Pesticide (RUP) is **purchased** or **applied**.

Is your existing S.D. **Private** Pesticide Applicator License expiring on or before 12/31/2021?

Find your existing 7-digit private applicator number at this link <https://apps.sd.gov/doa/cat/privatesearch.aspx>

Or do you need to obtain a new S.D. **Private** Pesticide Applicator License?

Yes, I need to renew or obtain a Private Pesticide Applicator License
(Choose ONE option below to obtain licensing.)

Option 1: I will be renewing or obtaining my private applicator certification by joining a 3-hour online **ZOOM Meeting**.
(No Fee)

Visit the **SDSU Extension Events** webpage
<https://extension.sdstate.edu/events>
to *pre-register* to join only one (1) of the four (4) online **ZOOM Meetings** being offered from
1:30 - 4:30 pm Central Time
