SOUTH DAKOTA LABEL SUBMISSION GUIDELINES:

- Marketplace/container label electronically submitted
 - File structure: EPA reg number, product name, and date
 - PDF must be:
 - text searchable
 - free of printer-proof & production comments, lines, and measurements
 - fit on 8.5"x11" sheets of paper without requiring formatting changes
 - clear and readable when printed without additional magnification required
 - EPA stamped label is not accepted
 - Include net contents (multiple sizes with the same use directions should be in one file)
 - No false or misleading claims that constitute misbranding
 - example: "+" when interpreted as a heightened safety claim, not with intentions of "and" or "in addition to"
 - example: "free of [active ingredient]" if the product contains such active ingredient
- EPA Stamped 8570-5
- Information submitted by the company must be consistent with the information on the label, including but not limited to:
 - company name
 - EPA number
- Products to be registered separately:
 - multiple use directions
 - varying scents or colors
 - example: wipes or dog collars
- Alternative brand name products need to be registered
- Supplemental labels need to be submitted (if applicable)
