SOUTH DAKOTA WEED FREE FORAGE INSPECTION

INSPECTION COSTS Per Field:

\$250.00 for the first acre plus \$2.00 for each additional acre.

DANR must receive WFF inspection application and payment prior cutting or harvesting. Once application and payment have been received, DANR will schedule the inspection. (Minimum of 10 business days)

TAG COSTS:

\$0.15 PER TAG.

Tags will be issued after the inspected field has been cut or harvested, number of bales made is reported to DANR, and payment is received for the WFF tags. Must have tags attached to bales to complete the Weed Free Forage certification.
