

**NOTICE OF APPLICATION
FOR
MINOR AIR QUALITY OPERATING PERMIT**

The South Dakota Department of Agriculture and Natural Resources (DANR) received and reviewed the application for a minor air quality operating permit for the following applicant:

APPLICANT NAME: KNTC, LLC, DBA Sioux Marble

FACILITY LOCATION: Brandon, South Dakota

The minor air quality operating permit will allow the operation of the following processes and units:

1. Unit #1 – 1985 Sioux Marble homemade spray booth, using air-atomized spraying method controlled with dry filter pads; and
2. Unit #2 – Open pot mixing controlled with dry filter pads.

A review of this facility indicates KNTC, LLC, DBA Sioux Marble can operate the spray booth and mixer in compliance with South Dakota's Air Pollution Control rules and the federal Clean Air Act. DANR, therefore, recommends the Board of Minerals and Environment issue a minor air quality operating permit to KNTC, LLC, DBA Sioux Marble with conditions to ensure compliance with South Dakota Codified Laws (SDCL) 34A-1 and the federal Clean Air Act.

In accordance with the Administrative Rules of South Dakota (ARSD) 74:36:04:12, any person desiring to comment on DANR's draft permit conditions must submit written comments to the address below by close of business on the thirtieth day of this public notice. Commenters are encouraged to submit their comments electronically using the comment link for this permit on DANR's One Stop Public Notice website at <https://danr.sd.gov/public>. Alternatively, written comments may be mailed to: Teresa Williams; PMB 2020; Department of Agriculture and Natural Resources; 523 East Capitol, Pierre, South Dakota 57501. Mail deposited with the U.S. Postal Service may no longer be postmarked on the day it was dropped off. To establish that you have met a public-notice deadline, you may need to send mail by certified or registered mail, request a hand-stamped postmark at the time the mail is dropped off, or include an affidavit of mailing. DANR will consider and address all comments that are timely submitted before issuing a final permit decision. DANR will notify the applicant and each person that requested notice or submitted written comments of DANR's final permit decision, including notification of any changes to the permit based on the comments.

Any person desiring to contest the issuance of this permit and have a contested case hearing must file a petition, which complies with ARSD 74:09:01:01. This petition must be filed either by close of business on the thirtieth day of this public notice or, if that person submits comments on DANR's draft permit pursuant to the paragraph above, within thirty days of receiving notice of DANR's final permit decision. Upon receipt of a petition, DANR will schedule this matter for a contested case hearing before the Board of Minerals and Environment.

If no comments or objections are received by close of business on the thirtieth day of this public notice, the draft permit becomes the final permit decision and the proposed permit will be issued.

Copies of DANR's draft permit conditions and other information may be obtained from Teresa Williams, at the above address, telephone at (605) 773-3151 or One-Stop Public Notice Page at:
