Statement: I certify that within 90 days of replacement, the old engine and chassis have been permanently disabled. Disabling the engine consists of cutting or punching a three inch by three inch (3" x 3") hole in the engine block. Disabling the chassis consists of cutting completely through the frame/frame rails on each side of the vehicle/equipment at a point located between the front and rear axles. Photos of the disabled engine/chassis that are required pursuant to the Terms and Conditions of the award agreement are attached to this Certificate of Disposal.
