Resident agent (if applicant is an out-of-state corporation): _____
Resident agent address: _____

Instructions:

1. Complete this form and sign and date below.
2. Complete and have the Certification of Applicant form signed before a Notary Public.
3. Mail the license application and the notarized Certification of Applicant to the Minerals, Mining, and Superfund Program at the address listed above. Once issued, a copy of the license will be returned to you.

Please note:

This license **does not** give the legal right to mine on lands for which ownership or permission to mine has not been obtained.
All federal, state, and local laws, regulations, ordinances, and other necessary approvals or permits shall be complied with or obtained prior to commencement of mining.
Any operations taking place on Black Hills National Forest lands will be governed by the Memorandum of Understanding between the US Forest Service and the Department of Agriculture and Natural Resources.

I declare and affirm under the penalties of perjury that this claim (petition, application, information) has been examined by me, and to the best of my knowledge and belief, is in all things true and correct. By signing and submitting this application for license I agree to comply with SDCL Chapter 45-6 (Sand, Gravel, and Construction Aggregate Mining).
