Lisa,

DTRC LLC, has filed an Exploration Notice of Intent (EXNI) for an area approximately two miles northwest of Central City, SD. I have attached a copy of this EXNI and the completed Cultural Survey to this email. Please note that under SDCL 45-6C-14, any map providing details of locations of test holes provided with this EXNI is considered confidential and is not to be distributed. Due to the file size the Cultural Resources survey completed for this project will be supplied in a separate email.

This email will start your 30-day review period as per 45-6C-10 and 11.

We are currently planning to conduct an inspection during the week of August 15 or 22, 2022. Please assist in scheduling this inspection by letting us know what days may work best for you.

Thank you!
