On December 8, 2022, DANR received an EXNI application submitted by Longview Minerals, LLC. Supplemental Information on the application was submitted on December 22 and 26, 2022. On December 20, 2022, I sent an email to Stan Michals starting the 30-day review period granted agencies for EXNI's. I attached a digital copy of the EXNI application provided by Longview to the email and sent the email with a read receipt request. I received the read receipt from Stan Michals in the morning of December 20, 2022.

Below is the read receipt from Stan Michals showing when the agency received their email starting the 30-day review period.

Emails have been copied below.

Stan,

Longview Minerals, LLC, has filed an Exploration Notice of Intent (EXNI) for an area approximately 4 miles south of Custer, SD. I have attached a copy of this EXNI to this email. Please note that under SDCL 45-6C-14, any map providing details of locations of test holes provided with this EXNI is considered confidential and is not to be distributed.

This email marks the start of your 30-day review period as per SDCL 45-6C-11.

We are determining when to schedule an inspection at the site at this time. If you have any input on this matter please let me know.

Please let me know if you have any questions.

Thank you!
