On August 10, 2023, I sent an email to Dustin Lloyd providing him a copy of EXNI-448, a mineral exploration submitted by SDO Services, LLC for their proposed mineral exploration near Hill City, SD. This email marked the start of the agency 30-day review period for this EXNI submittal. There was a date provided that contained incorrect information on the proposed date of an inspection that was later corrected. The emails and agency confirmation receipt are included below.

Sorry Stan and Dustin! I recycled an old email and the proposed inspection date did not get updated. I meant to offer an inspection time during either the week of August 21 or 28, 2023. Please let me know what dates will work best for you!

Thanks!

Hi Bobbi,

You must mean August 23rd?

At this time I am only available Thursday, Friday next week; The following week has many open times.

Thanks,

Stan

Subject: EXNI-448 application

Dustin,

SDO Services, LLC, has filed an Exploration Notice of Intent (EXNI) for an area approximately 1/4 mile south of Hill City, SD. I have attached a copy of this EXNI to this email. Please note that under SDCL 45-6C-14, any map providing details of locations of test holes provided with this EXNI is considered confidential and is not to be distributed.

This email marks the start of your 30-day review period as per SDCL 45-6C-11.

We are currently planning to conduct the inspection during the week of June 26, 2023. If you have any input on this matter please let me know.

Please let me know if you have any questions.

Thank you!
