**Subject:** EXNI 468 - Wharf Resources (USA) Inc

Mandy,

Wharf Resources (USA) Inc. has submitted an Exploration Notice of Intent (EXNI) for an area located approximately four miles west of Lead, South Dakota. A copy of the EXNI is attached for your review.

Under SDCL 45-6C-14, any maps included with this EXNI that show the locations of test holes are considered confidential and are not to be distributed.

This email serves as notification that the 30-day review period has commenced in accordance with SDCL 45-6C-10.

An inspection has not yet been scheduled for this site. To facilitate planning, please advise of any preferred timeframes to conduct an inspection within the next few weeks. Note that I will be out of town January 12–14.

If you have any questions or require additional information during the review period, feel free to contact me.

Thank you,
