June 20, 2018

Al Salomone
Gulf Exploration, L.L.C.
9701 N. Broadway Extension
Oklahoma City, Oklahoma 73114

Dear Mr. Salomone:

Thank you for your application filed May 7, 2018, requesting approval to drill an oil well at a location that is an exception to statewide spacing. The well is located 406 feet from the west line and 210 feet from the north line in Section 27, Township 10 South, Range 1 East, approximately 12.6 miles southwest of Edgemont, Fall River County, South Dakota.

The department published a Notice of Recommendation, Oil and Gas Case No. 9-2018, recommending approval of the application. The date for intervention was June 12, 2018, and no parties petitioned the Board of Minerals and Environment for a hearing on the application by the deadline.

Therefore, in accordance with the Administrative Rules of South Dakota 74:12:02:08 and 74:12:02:09, approval of the application is hereby granted. Enclosed is the Notice of Recommendation.

If our office can be of further assistance to you, please do not hesitate to contact me at (605) 773-4201.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Mike Lees', is written over a horizontal line.

Mike Lees, Administrator
Minerals and Mining Program

Enclosure

c: Brett Koenecke, May, Adam, Gerdes & Thompson, 503 South Pierre St., Pierre, SD 57501

STATE OF SOUTH DAKOTA
SECRETARY OF THE
DEPARTMENT OF ENVIRONMENT AND NATURAL RESOURCES

IN THE MATTER OF THE APPLICATION OF GULF EXPLORATION, L.L.C., OKLAHOMA CITY, OK, FOR A PERMIT TO DRILL AN OIL AND GAS WELL AT AN EXCEPTION LOCATION TO STATEWIDE SPACING, DESCRIBED AS THE OVERLORD 1-27 WELL, LOCATED 210 FEET FROM THE NORTH LINE AND 406 FEET FROM THE WEST LINE IN SECTION 27, TOWNSHIP 10 SOUTH, RANGE 1 EAST; APPROXIMATELY 12.6 MILES SOUTHWEST OF EDGEMONT, FALL RIVER COUNTY, SD.	NOTICE OF RECOMMENDATION OIL AND GAS CASE NO. 9-2018
--	--

Notice is hereby given to the public and to all interested persons that pursuant to South Dakota Codified Laws (SDCL) Chapter 1-26 and Chapter 45-9 and further pursuant to the Administrative Rules of South Dakota (ARSD) 74:12:02:08 and 74:12:09, the following matter has come to the attention of the Secretary of the Department of Environment and Natural Resources, hereinafter "Secretary."

The Secretary recommends approval of the exception location for the following reasons:

1. The applicant asserts that drilling this well at the location prescribed by the statewide spacing rule would likely result in a well unable to produce in economic quantities, as indicated by three dimensional seismic interpretation.
2. No other producing or drilled oil and gas wells are located within 1,000 feet of the proposed location.

Authority for the Secretary to approve this application is contained in ARSD 74:12:02:08 and 74:12:09. Unless a person files a petition requesting a hearing on the above application pursuant to the provisions of ARSD 74:09:01 on or before June 12, 2018, the Secretary's recommendation will be considered final and the Secretary will approve the application in accordance with that recommendation.

The application and notice of recommendation are also posted on the department's website at: <http://denr.sd.gov/des/og/pubhearing.aspx> and <http://denr.sd.gov/public>. Additional information about this application is available from Mike Lees, Administrator, Minerals and Mining Program, Department of Environment and Natural Resources, 523 East Capitol Avenue, Pierre, SD 57501, telephone (605) 773-4201, email michael.lees@state.sd.us.
