2.0 Document Submittals Required

Attach documents as indicated by the following key:

- [A]** For your renewal application to continue operation under the **general permit**.
- [B]** For your application to renew your **individual permit**.
- [ALL]** For **all** applications submitted.

2.01 **[A]** Affidavit of Publication of the notice of intent (see condition 1.06 of the general permit). Since the notice of intent does not have to be published until at least 20 days prior to the anticipated use of the site(s), this document can be submitted at a later date.

2.02 **[ALL]** A signed Certification of Applicant form required by SDCL 1-41-20 and SDCL 34A-6-1.10 (attached).

2.03 **[ALL]** Nutrient Management Plan (NMP) revisions. The NMP, developed by a qualified soil scientist, County Extension Agent, or consultant and submitted with your first application, must be reviewed. At a minimum, the following aspects of the NMP must be reviewed for revisions:

- A. nutrient value of the waste;
- B. waste volumes (daily and annual generation);
- C. all waste characteristics (laboratory analysis);
- D. storage requirements and plan;
- E. site (topography) and soil characteristics;
- F. land use (crop or vegetative growth);
- G. loading rate analysis;
- H. nutrient uptake;
- I. maximum volume criteria;
- J. application methods;
- K. soil monitoring; and
- L. wintertime operation.

Submit a new NMP if any changes have been made to the plan or indicate, in writing, that no changes have been made.

2.04 **[ALL]** An updated aerial photograph with the site(s) boundaries clearly marked. If the boundaries have not changed, indicate this in writing.

2.05 **[ALL]** An updated United States Geological Survey (USGS) topographic map of the site(s) with the site(s) boundaries clearly marked. If the boundaries have not changed, indicate this in writing.

2.06 **[ALL]** A copy of this application must be sent to the county and the nearest municipality for their records. Indicate in writing that you have done this.

2.07 **[B]** If the site(s) does not meet the siting criteria stated in condition 2.01 of the general permit or section 1.10 of this application, document efforts made to minimize potential environmental impacts.

3.0 Permit Fee

Each application to be authorized under the general permit or individual permit application must be accompanied by a fee based on the annual tonnage of waste to be stored and/or land applied in accordance with the following fee schedule:

Type I	Facilities receiving more than 150,000 tons per year	\$5,000
Type II	Facilities receiving between 5,000 and 149,999 tons per year	\$500
Type III	Facilities receiving between 500 and 4,999 tons per year	\$250
Type IV	Facilities receiving less than 500 tons per year	No Fee

Note: The general permit is applicable only to operators handling less than 25,000 tons of solid waste per year.

4.0 Signatures

South Dakota Codified Law Section 34A-6-1.10 provides:

“Responsibility and liability of owner or operator. The owner or operator of a solid waste disposal facility that is regulated under §§ 34A-6-1.1 to 34A-6-1.38, inclusive, is responsible in perpetuity for the solid waste and liable in perpetuity for any pollution or other detrimental effect caused by the solid waste. No person may dispose of solid waste other than mine wastes in this state until the owner or operator of the solid waste disposal facility executes an agreement with the board acknowledging such perpetual responsibility and liability for the solid waste.”

By signing this permit application, the signatory acknowledges that they have read and understand the information contained in the foregoing application and attachments, and to the best of their knowledge, the information is true and accurate. In addition, pursuant to SDCL 34A-6-1.10, I hereby agree to and accept perpetual responsibility and liability for the solid waste disposal at this facility.

All applications filed pursuant to Titles 34A and 45 shall include a certification, sworn to under oath and signed by the applicant, that he is not disqualified by reason of this section from obtaining a permit. In the absence of evidence to the contrary, that certification shall constitute a prima facie showing of the suitability and qualification of the applicant. If at any point in the application review, recommendation or hearing process, the secretary finds the applicant has intentionally made any material misrepresentation of fact in regard to this certification, consideration of the application may be suspended and the application may be rejected as provided for under this section.

Applications rejected pursuant to this section constitute final agency action upon that application and may be appealed to circuit court as provided for under chapter 1-26.”

I certify pursuant to 1-41-20, that as an applicant, officer, director, partner, or resident general manager of the activity or facility for which the application has been made that I; a) have not intentionally misrepresented a material fact in applying for a permit; b) have not been convicted of a felony or other crime of moral turpitude; c) have not habitually and intentionally violated environmental laws of any state or the United States which have caused significant and material environmental damage; (d) have not had any permit revoked under the environmental laws of any state or the United States; or e) have not otherwise demonstrated through clear and convincing evidence of previous actions that I lack the necessary good character and competency to reliably carry out the obligations imposed by law upon me. I also certify that this application does not substantially duplicate an application by the same applicant denied within the past five years which denial has not been reversed by a court of competent jurisdiction. Further;

“I declare and affirm under the penalties of perjury that this claim (petition, application, information) has been examined by me, and to the best of my knowledge and belief, is in all things true and correct.”
