PCB SERVICES IN THE STATE OF SOUTH DAKOTA

The South Dakota Department of Agriculture and Natural Resources (DANR) does not endorse or otherwise support any of the companies listed below. Rather, this list is provided as a service to the public. It is your responsibility to ensure that the company you select is operating in a proper and legal manner. Keep in mind that you have the option of hiring a company that is not listed on this page.

South Dakota DANR is not a delegated Polychlorinated Biphenyl (PCB) Program; therefore, you must contact the Environmental Protection Agency Region VIII at the website listed below. For information regarding PCBs, contact the Regional PCB Coordinator at (303) 312-6625.
