Section 4.02 Execution and Delivery. The Series 2005 Bonds shall be executed and delivered as provided in the Master Trust Indenture.

Section 4.03 Uses of Securities Depository; Book-Entry Only System. The provisions of this Section shall take precedence over the provisions hereof or the Master Trust Indenture to the extent they are inconsistent therewith.

(a) The Depository Trust Company ("DTC") has agreed to act as securities depository for the Series 2005 Bonds, and to provide a Book-Entry Only System for registering the ownership interests of the financial institutions for which it holds the Series 2005 Bonds (the "DTC participants"), and for distributing to such DTC Participants such amount of the principal and interest payments on the Series 2005 Bonds as they are entitled to receive, for redistribution to the beneficial owners of the Series 2005 Bonds as reflected in their records (the "Beneficial Owners").

(b) Initially, and so long as DTC or another qualified entity continues to act as securities depository, the Series 2005 Bonds shall be issued in typewritten form, one for each maturity in a principal amount equal to the aggregate principal amount of each maturity, shall be registered in the name of the securities depository or its nominee, and shall be subject to the provisions of this Section. While DTC is acting as the securities depository, the Series 2005 Bonds shall be registered in the name of DTC's nominee, CEDE & CO; provided that upon delivery by DTC to the District and the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of CEDE & CO., the words "CEDE & CO." in this Resolution shall refer to such new nominee of DTC.

With respect to Series 2005 Bonds registered in the name of a securities depository or its nominee, the District and the Trustee shall have no responsibility or obligation to any DTC Participant or other person with respect to the following: (i) the accuracy of the records of any securities depository or its nominee with respect to any ownership interest in the Series 2005 Bonds, (ii) the delivery to any DTC Participant or other person or any other person, other than DTC, of any notice with respect to the Series 2005 Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than DTC, of any amount with respect to the principal of or interest on the Series 2005 Bonds. The Trustee shall pay all principal of and interest on the Series 2005 Bonds only to or upon the order of DTC, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to the principal and interest on the Series 2005 Bonds to the extent of the

sum or sums so paid. So long as the Book-Entry Only System described in this Section is in effect, no person other than DTC shall receive an authenticated Bond.

(c) Upon receipt by the District and the Trustee of written notice from the securities depository to the effect that it is unable or unwilling to discharge its responsibilities under the Book-Entry Only System, the Trustee shall issue, transfer and exchange Series 2005 Bonds of the initial series as requested by the securities depository in appropriate amounts, and whenever the securities depository requests the District and the Trustee to do so, the District and the Trustee shall cooperate with the securities depository in taking appropriate action after reasonable notice (i) to arrange for a substitute depository willing and able, upon reasonable and customary terms, to maintain custody of the Series 2005 Bonds, or (ii) to make available Series 2005 Bonds registered in whatever name or names the Beneficial Owner registering ownership, transferring or exchanging such Series 2005 Bonds shall designate, in accordance with clause (f) or clause (g) below, whichever is applicable.

(d) In the event the District determines that it is in the best interests of the Beneficial Owners that they be able to obtain printed Series 2005 Bonds, the District may so notify the securities depository and the Trustee, whereupon the securities depository shall notify the Beneficial Owners of the availability through the securities depository of such printed Series 2005 Bonds. In such event, the District shall cause to be prepared and the Trustee shall issue, transfer and exchange printed Series 2005 Bonds, fully executed and authenticated, as requested by the securities depository in appropriate amounts and, whenever the securities depository requests, the District and the Trustee shall cooperate with the securities depository in taking appropriate action after reasonable notice to make available printed Series 2005 Bonds registered on the Bond Register in whatever name or names the Beneficial Owners entitled to receive Series 2005 Bonds shall designate, in accordance with clause (f) or clause (g) below, whichever is applicable.

(e) Notwithstanding any other provisions of this Resolution to the contrary, so long as any Series 2005 Bond is registered in the name of a securities depository or its nominee, all payments of principal and interest on the Series 2005 Bond and all notices with respect to the Series 2005 Bond shall be made and given, respectively, to the securities depository as provided in the representation letter heretofore given to it by the District.

(f) In the event that the Book-Entry Only System established pursuant to this Section is discontinued, except as provided in clause (g), the Series 2005 Bonds shall be issued through the securities depository to the Beneficial Owners.

(g) In the event of termination of the Book-Entry Only System, the District shall have the right to terminate, and shall take all steps necessary to terminate, all arrangements with the securities depository described herein, and thereafter shall issue, register ownership of, transfer and exchange all Series 2005 Bonds as provided in Article II of the Master Trust Indenture. Upon receipt by the securities depository of notice from the District, the securities depository shall take all actions necessary to assist the District and the Trustee in terminating all arrangements for the issuance of documents evidencing ownership interests in the Series 2005 Bonds through the securities depository. Nothing herein shall affect the securities depository's rights under clause (e) above.

ARTICLE V

Special Covenants

The Board of Water and Natural Resources and the District covenant and agree with the persons who at any time are Holders and Owners of the Series 2005 Bonds that so long as any Series 2005 Bonds remain outstanding and unpaid:

Section 5.01 Observe Master Trust Indenture, Series Resolution and Loan Agreements. The District will faithfully keep and observe all the terms, provisions and covenants contained in the Master Trust Indenture, this Series Resolution and the Loan Agreements.

Section 5.02 Maintenance of Tax-Exempt Status. The District shall not take, or permit the Political Subdivision to take, any action that would cause the Series 2005 Bonds to be “private activity bonds” within the meaning of Section 141 of the Internal Revenue Code of 1986, as amended. The District shall comply with all the rebate requirements imposed under Section 148(f) of the Internal Revenue Code of 1986, as amended, and regulations thereunder, which are necessary to preserve the tax exempt status of the Series 2005 Bonds, including (if applicable) the requirement to make periodic calculations of the amount subject to rebate thereunder and the requirement to make all required rebates to the United States. The District agrees to use any moneys on deposit in any Fund or Account maintained under the Master Trust Indenture to pay any such rebate (or penalty in lieu thereof) when due to the extent permitted by the Master Trust Indenture. In addition, the District shall make no investment of funds or take or permit the Political Subdivision to take any action that would cause the Series 2005 Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended, and regulations thereunder. The Chairman is hereby authorized to make on behalf of the District any elections under the provisions of Section 148 of the Internal Revenue Code of 1986 and regulations thereunder as he may deem appropriate. All terms used in this Section 5.02 shall have the meanings provided in the Internal Revenue Code of 1986, as amended, and regulations thereunder. The Chairman shall execute any certificates as may be necessary or appropriate to establish the tax exempt status of the Bonds.
