SENSITIVITY: Following the receipt of the bids, the District reserves the right to adjust the principal amount. If the issue size is adjusted, the purchase price will be adjusted to ensure that the percentage net compensation (i.e. the percentage resulting from dividing (i) the aggregate difference between the offering price of the Series 2022B Bonds to the public and the price to be paid to the District (excluding accrued interest), less any bond insurance premium to be paid by the bidder, by (ii) the principal amount of the Series 2022B Bonds) remains constant.

* Preliminary, subject to adjustment.

OPTIONAL REDEMPTION: At the option of the District, the Series 2022B Bonds, or portions thereof, maturing on August 1, 2033 and thereafter may be called for redemption and payment prior to maturity on or after August 1, 2032, in whole or in part at any time (selection of maturities and the amount of Series 2022B Bonds of each maturity to be redeemed to be determined by the District in such manner as it may determine), at the redemption price of 100% (expressed as a percentage of the principal amount), plus accrued interest thereon to the date of redemption

EXTRAORDINARY OPTIONAL REDEMPTION: The Series 2022B Bonds shall be subject to redemption and payment prior to maturity on January 1, 2024 and January 1, 2026, in such amounts on each such date as are necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Series 2022B Bonds. The redemption price for any redemption shall be 103% of the amortized issue price, plus accrued interest on the principal amount redeemed to the date of redemption.

TERM BOND OPTION: Bids for the Series 2022B Bonds maturing August 1, 2033 and thereafter may contain a maturity schedule providing for any combination of serial bonds and term bonds, subject to mandatory redemption, so long as the amount of principal maturing or subject to mandatory redemption in each year conforms to the maturity schedule set forth above.

CUSIP NUMBERS: The District will assume no obligation for the assignment of CUSIP numbers for the Series 2022B Bonds or for the correctness of any such numbers printed thereon, but the District will permit such printing to be done at the expense of the purchaser, if the purchaser waives any extension of the time of the delivery of the Series 2022B Bonds caused thereby.

DELIVERY: Within 30 days following the date of their award, the District will deliver to the Bond Registrar the printed and executed bonds subject to the approving legal opinion of Perkins Coie LLP, Chicago, Illinois, as Bond Counsel to the District, and customary closing certificates, including a certificate that the Official Statement did not at the date of delivery of the Series 2022B Bonds contain any untrue statement of a material fact or fail to state a material fact necessary in order to make the statements contained therein not misleading and a certificate as to absence of material litigation. Series 2022B Bonds will be delivered against payment in immediately available funds at the District's designated depository on the date of delivery. Delivery is expected on or about October 27, 2022.

BOOK ENTRY SYSTEM: The Series 2022B Bonds will be issued by means of a book entry system with no physical distribution of Series 2022B Bonds made to the public. The Series 2022B Bonds will be issued in fully registered form and one Series 2022B Bond, representing the aggregate principal amount of the Series 2022B Bonds maturing in each year, will be registered in the name of Cede & Co. as nominee of The Depository Trust Company ("DTC"), New York, New York, which will act as securities depository of the Series 2022B Bonds. Individual purchases of the Series 2022B Bonds may be made in the principal amount of \$5,000 or any multiple thereof of a single maturity through book entries made on the books and records of DTC and its participants. Principal and interest are payable by the District to DTC or its nominee as registered owner of the Series 2022B Bonds. Transfer of principal and interest payments to participants of DTC will be the responsibility of DTC; transfer of principal and interest payments to beneficial owners by participants will be the responsibility of such participants and other nominees of beneficial owners. The purchaser, as a condition of delivery of the Series 2022B Bonds, will be required to deposit the Series 2022B Bonds with DTC.

TYPE OF BID: Bids for not less than \$97,286,125 (99.5%) plus accrued interest from the date of the Series 2022B Bonds to the date of delivery must be submitted through PARITY® and received prior to

the time specified above. All bids shall be deemed to incorporate the provisions of this Official Terms of Sale.

GOOD FAITH DEPOSIT: No good faith deposit is required.

TERMS OF BIDS: All rates must be in integral multiples of 1/20th or 1/8th of one percent. In addition, no Series 2022B Bonds maturing on or after August 1, [2033] may bear an interest rate less than [5.00%]. All Series 2022B Bonds of the same maturity shall bear a single uniform rate from date of issue to maturity. Each bid must be for the entire principal amount of the Series 2022B Bonds. The purchase price will be adjusted proportionately with any adjustment in the size of the issue as described above.

ELECTRONIC BIDDING ONLY: All proposals must be submitted electronically through PARITY® and no other proposals will be considered. The District is using electronic bidding as a communications medium and PARITY® is not an agent of the District. The District assumes no responsibility or liability for proposals submitted electronically. If any provision in this Official Terms of Bond Sale conflict with information provided by an electronic bidding service, this Official Terms of Bond Sale shall control. Proposers must be contracted customers of PARITY®. Prospective proposers should contact PARITY® directly at (212) 849-5021 for information about PARITY®, including its rates and fees, and becoming a contracted customer.

AWARD: The bid offering the lowest true interest cost will be deemed most favorable. The true interest cost is computed as the discount rate which, when used with semiannual compounding to determine the present worth of the principal and interest payments as of the date of the Series 2022B Bonds, produces an amount equal to the purchase price. If two or more bids provide the same lowest true interest cost, the District shall determine which bid shall be accepted, and such determination shall be final.

The District reserves the right to reject any and all bids, to waive any informality in any bid and to adjourn the sale.

ESTABLISHMENT OF ISSUE PRICE AT TIME OF AWARD: In order to establish the issue price of the Series 2022B Bonds for federal income tax purposes, the District requires proposers to agree to the following, and by submitting a proposal, each proposer agrees to the following.

If a proposal is submitted by a potential underwriter, the proposer confirms that (i) the underwriters have offered or reasonably expect to offer the Series 2022B Bonds to the public on or before the date of the award at the offering price (the “initial offering price”) for each maturity as set forth in the proposal and (ii) the proposer, if it is the winning proposer (the “Purchaser”), shall require any agreement among underwriters, selling group agreement, retail distribution agreement or other agreement relating to the initial sale of the Series 2022B Bonds to the public to which it is a party to include provisions requiring compliance by all parties to such agreements with the provisions contained herein. For purposes hereof, Series 2022B Bonds with a separate CUSIP number constitute a separate “maturity,” and the public does not include underwriters (including members of a selling group or retail distribution group) or persons related to underwriters.

If, however, a proposal is submitted for the proposer’s own account in a capacity other than as an underwriter of the Series 2022B Bonds, and the proposer has no current intention to sell, reoffer, or otherwise dispose of the Series 2022B Bonds, the proposer shall notify the District to that effect at the time it submits its proposal and shall provide a certificate to that effect in place of the certificate otherwise required below.

If the Purchaser intends to act as an underwriter, the District shall advise the Purchaser at or prior to the time of award whether (i) the competitive sale rule or (ii) the “hold-the-offering price” rule applies.

If the District advises the Purchaser that the requirements for a competitive sale have been satisfied and that the competitive sale rule applies, the Purchaser will be required to deliver to the District at or prior to closing a certification, substantially in the form attached hereto as Exhibit A-1, as to the reasonably expected initial offering price as of the award date.

If the District advises the Purchaser that the requirements for a competitive sale have not been satisfied and that the “hold-the-offering price” rule applies, the Purchaser shall (1) upon the request of the District confirm that the underwriters did not offer or sell any maturity of the Series 2022B Bonds to any person at a price higher than the initial offering price of that maturity during the period starting on the award date and ending on the earlier of (a) the close of the fifth business day after the sale date or (b) the date on which the underwriters have sold at least 10% of that maturity to the public at or below the initial offering price; and (2) at or prior to closing, deliver to the District a certification substantially in the form attached hereto as Exhibit A-2, together with a copy of the pricing wire.

Any action to be taken or documentation to be received by the District pursuant hereto may be taken or received on behalf of the District by PFM Financial Advisors LLC, the District’s municipal advisor.

Proposers should prepare their proposals on the assumption that the Series 2022B Bonds will be subject to the “hold-the-offering-price” rule. Any proposal submitted pursuant to the Official Terms of Bond Sale shall be considered a firm offer for the purchase of the Series 2022B Bonds, and proposals submitted will not be subject to cancellation or withdrawal.

OFFICIAL STATEMENTS: The District has prepared the Preliminary Official Statement dated _____, 2022 in a form deemed final as of its date for purposes of Rule 15c2-12 of the Securities and Exchange Commission (the “Rule”), but is subject to update and completion in a Final Official Statement in accordance with the Rule. The Preliminary Official Statement is available to prospective bidders and to others who request copies from the District or its financial advisor, PFM Financial Advisors LLC and may also be obtained at www.pfm.com.

Not later than seven business days following the award of the Series 2022B Bonds, the District shall provide copies of the Final Official Statement, as that term is used in the Rule, to the successful purchaser of the Series 2022B Bonds.

The Purchaser will be supplied with Final Official Statements in a quantity sufficient to meet their request. Up to 50 copies of the Final Official Statement will be furnished without cost.

CONTINUING DISCLOSURE: In accordance with the Rule, the District will undertake, pursuant to a Continuing Disclosure Agreement, to provide annual reports and notices of certain events. A description of this agreement is set forth in the Official Statement. The purchaser’s obligation to purchase the Series 2022B Bonds will be conditioned upon it receiving the Continuing Disclosure Agreement at or prior to delivery of the Series 2022B Bonds.
