**NOTICE OF SURFACE WATER DISCHARGE**  
**APPLICATION AND RECOMMENDATION**

The South Dakota Department of Environment and Natural Resources (DENR) is proposing to reissue a Surface Water Discharge (SWD) general permit for the following:

APPLICANT NAME:           **General Surface Water Discharge Permit for point source application of pesticides for control of Aquatic Invasive or Nuisance Pests in South Dakota**

PERMIT NUMBER:           **SDGA20000**

FACILITY LOCATION:       **Any application of pesticide to control invasive or nuisance pests into waters of the state**

The proposed Surface Water Discharge general permit will allow the point source discharge of pollutants associated with the application of pesticides into waters of the state to control invasive or nuisance pests.

Discharges covered by these permits could enter any waterbody statewide. All waterbodies in South Dakota have been assigned one or more of the following beneficial uses:

- (1) Domestic water supply waters;
- (2) Coldwater permanent fish life propagation waters;
- (3) Coldwater marginal fish life propagation waters;
- (4) Warmwater permanent fish life propagation waters;
- (5) Warmwater semipermanent fish life propagation waters;
- (6) Warmwater marginal fish life propagation waters;
- (7) Immersion recreation waters;
- (8) Limited contact recreation waters;
- (9) Fish and wildlife propagation, recreation, and stock watering waters;
- (10) Irrigation waters; and
- (11) Commerce and industry waters.

Tentative determinations regarding the water quality limits for any discharge and other conditions have been made by DENR. The proposed general permit was developed to ensure these beneficial uses are maintained and protected. The proposed general permit and supporting documentation are available from DENR at the address listed below or on DENR's website at <http://denr.sd.gov/public/defaults.aspx>.

In accordance with the Administrative Rules of South Dakota, Chapter 74:50:02, any person desiring to comment on the Department's recommendation for the conditional issuance of this permit must submit written comments to the below address within the specified thirty (30) day comment period. Comments may be directed to the following address: South Dakota Department of Environment and Natural Resources, Division of Environmental Services, Surface Water Quality Program, Joe Foss Building, 523 East Capitol, Pierre, SD 57501. Any person desiring a public hearing must file a petition which complies with the ARSD 74:50:02. If no objections are received within the specified 30-day period, the Secretary will issue final determinations within sixty days of the date of this notice.

Additional information may be obtained by calling Kyle Doerr, with DENR, at (605) 773-3351, or by writing to the address listed above.
