**NOTICE OF SURFACE WATER DISCHARGE**  
**APPLICATION AND RECOMMENDATION**

The South Dakota Department of Agriculture and Natural Resources (DANR) has received an application for the reissuance of a Surface Water Discharge (SWD) permit from the following applicant:

APPLICANT NAME: City of Beresford

PERMIT NUMBER: SD0020079

FACILITY LOCATION: Located ½ mile north of the city in the Northwest ¼ of Section 32, Township 96 North, Range 50 West, in Lincoln County, South Dakota (Latitude 43.096357°, Longitude -96.777966°)

MAILING ADDRESS: 101 North 3rd Street  
Beresford, SD 57004

The renewal of the SWD permit will allow the discharge of pollutants from the city of Beresford's wastewater treatment facility. This facility's North American Industry Classification System (NAICS) code is 221320 for sewage treatment facilities. Any discharge from this facility will enter Blind Creek. Blind Creek has been assigned the following beneficial uses:

- (9) Fish and wildlife propagation, recreation, and stock watering waters; and
- (10) Irrigation waters.

Blind Creek flows approximately 6.5 miles before it is classified for the following beneficial uses:

- (6) Warmwater marginal fish life propagation waters;
- (8) Limited contact recreation waters;
- (9) Fish and wildlife propagation, recreation, and stock watering waters; and
- (10) Irrigation waters.

An antidegradation review was conducted in accordance with the Administrative Rules of South Dakota (ARSD) Chapter 74:51:01. Results show an insignificant change in water quality and no further review is required.

Water quality-based effluent limits for ammonia were developed for this discharge to ensure the protection of the beneficial uses of Blind Creek.

Tentative determinations regarding the water quality limits for any discharge and other conditions have been made by DANR. The SWD permit specifies the quality of water that can be discharged and still protect the uses of the receiving water. The draft discharge permit and supporting documents are available from DANR at the address listed below.

In accordance with the ARSD, Chapter 74:52:05, any person desiring to comment on the Department's recommendation for the conditional issuance of this permit must submit written comments to the below address within the specified thirty (30) day comment period. Comments may be directed to the following address:

South Dakota Department of Agriculture and Natural Resources

Water Quality Program  
Joe Foss Building
