

CAREER OPPORTUNITY

Maintenance Mechanic

HIRING RANGE DOQ: \$22.66 - \$24.53 hourly

DEADLINE FOR FILING: Tuesday, November 1, 2022

THE POSITION

Perform semiskilled and skilled work in the inspection, maintenance, and repair of specialized plant machinery, equipment, and facilities of the Water Purification facility or Water Reclamation facility and related municipal water and wastewater collection system facilities.

This position will be located at the Water Purification Division.

QUALIFICATION STANDARDS

Graduation from high school or GED certification supplemented by two (2) years' related specialized education or vocational and equipment training and one (1) year's experience in the maintenance field; or any such combination of education, experience, and training as may be acceptable to the hiring authority.

Must possess or be able to obtain within 90 days of hire a valid Class B commercial driver's license with air brake endorsement (Water Purification); a valid Class B commercial driver's license (with no restrictions) with tanker and air brake endorsements (Water Reclamation).

For the position in Water Purification only, a HAZWOPER certificate (24-hour class) is required within one year of hire.

Willing to work extended hours when required.

APPLICATION AND SELECTION

Apply online at www.siouxfalls.org/careers. Most qualified will be invited for testing. If an ADA accommodation is needed, please contact, 72 hours prior to closing date, 605-367-8740 or recruiter@siouxfalls.org.
