Subject: [EXT] Hearing Delay for application No. 8990-3
Attachments: Hearing Delay Letter.docx

Just wanted to let you know that I have submitted the attached letter as a request to delay the may 6th hearing for the city of Milbank future use permit. I also will mail a copy that will be post marked 3/30/26. Thank you.

To Whom it may concern,

As a petitioner of application No. 8990-3 I would like to request the may 6th hearing be delayed due to the beginning of May being a very busy time in agriculture and I will be unavailable to travel to attend this meeting due to spring planting requirements. Thank you for your consideration.

Craig Arthur
