Dear Mr. Dillinger:

The rules adopted by the Water Management Board for establishing a water use control area on the Belle Fourche River, Whitewood Creek and Owl Creek requires that the water right holder be assessed a fee of ten dollars for each cubic foot per second or portion thereof of the diversion capability of the diversion works plus twenty-five cents for each acre irrigated as shown by the water rights of record in the Division of Water Rights. These fees are required to be paid to the Division of Water Rights by July 1, 1981.

Permits for which fees have not been paid by July 1, 1981 shall be refused the right to divert water for the remainder of the year. The fees paid will be used to defray the costs of providing water master services within the water use control area. The following is a tabulation of your assessment.

<u>Permit No.</u>	<u>Diversion Rate</u>	<u>Acreage</u>	<u>Fee</u>

Dear Mr. Hatch:

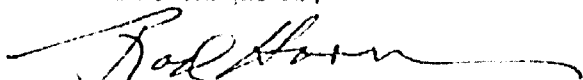

Mr. & Mrs. Dillinger have their farm located in Section 13, Township 5N, Range 5E, BHM, Butte County, South Dakota listed with me for sale. At present we have an accepted purchase offer. I was recently informed by Mr. Dillinger that he possesses water rights from the Belle Fourche River to irrigate 12 acres. Last night he gave me a letter from you dated 10/12/90 concerning the questionnaire. (copy attached).

Will you please furnish me with a letter stating his ownership interest in any and all water rights or water permits from the Belle Fourche River or from any ditches from the Belle Fourche River. Also please check to see if Ruby Dillinger (Bill's Wife) or Bill & Ruby own or have any interest in other water rights &/or permits. Ruby stated that she used to own some rights from the River located at the south east portion of their farm but didn't know the status of them. She no longer receives any correspondence from your office.

All water rights from the River and from the Belle Fourche Irrigation District will transfer to the Buyer. I will notify you upon closing of the sale. Are there any special forms from your office that will require completion by the Sellers and/or Buyers? If so please send them to me.

Thank you.

Best Regards,

Dear Mr. Horn:

In followup to your letter received December 19, 1990, enclosed is a copy of Water Right No. 1218-1. Currently, the water right is listed in the name of William Dillinger. You indicated in your letter that the property is being sold. The water right goes with the land and will need to be transferred to the new owner(s) when the sale is completed.

Enclosed is a "Notice of Transfer of Ownership" form. The form will need to be completed and then signed by the new owner(s) in the presence of a notary public. Upon completion, return the transfer form to us with a \$2.50 filing fee.

South Dakota Water Law 46-5-30.3 requires Notice of any sale, grant, lease, conveyance or other transfer of a water permit or water right to appropriate water to be filed with this office within ninety days.

You had also inquired as to the existence of another water right originally held by Ruby Dillinger. Vested Water Right Claim No. 531-1 was at one time, listed under William and Ruby Dillinger. The water right claim was transferred December 2, 1981 to Jerry J and/or Kathie Dillinger, Newell, SD. I have included a copy for your review.

If you have any questions, please contact me.

NOTE: Water permits may be cancelled for nonconstruction within the five year
construction period. Once a water permit is developed and the water used, the
permit becomes a water right. A water right may be lost for three reasons:

1. Abandonment - no intent to use water and use is abandoned.
2. Forfeiture - no use of water for three year period without legal excuse.
3. For a third violation of a condition of a water permit/right.

RECORDING FORM CONTRACT FOR DEED

THIS AGREEMENT, made and entered into this 25th day of February, 1991, by and between W. R. DILLINGER and RUBY DILLINGER, husband and wife, as joint tenants with right of survivorship and not as tenants in common, of Box 308, Newell, South Dakota 57760, hereinafter referred to as "Sellers", and DALE A. WITNESSETH:

In consideration of One Dollar (\$1.00) and other good and valuable consideration, and in consideration of the payments stipulated to be made in a Contract for Deed dated the 25th day of February, 1991, and in consideration of the mutual and reciprocal covenants between the parties, Sellers have agreed to sell and Buyers have agreed to buy the real property located in Butte County, South Dakota:

MINERAL RESERVATION:

Grantors reserve unto themselves 50% of all mineral rights owned by them for a period of ten (10) years and thereafter if development has taken place during the ten-year term.

Because of the lengthy nature of the aforementioned Contract for Deed, the parties have agreed to record a shorter Recording Form Contract for Deed rather than the full Contract for Deed dated the 25th day of February, 1991, which contains all of the terms and conditions of the transaction and the purchase price and payment schedule agreed upon by the parties.

All of the terms and conditions of the Contract for Deed of the real property are set forth in the Contract for Deed entered into on the 25th day of February, 1991, between the parties and each of the parties has received a true and correct copy of the Contract for Deed which is incorporated herein by reference.

The full length Contract for Deed contains a "due on sale" provision. The Contract provides for certain improvements with Sellers' consent. The filing of any mechanics' liens constitutes a default under the Contract.

SUBJECT: Reporting Requirement for 1997 irrigation Questionnaires

Our records indicate that the 1997 Irrigation Questionnaires have not been submitted for Permit Nos. 1218-1-531-1. The request for the Questionnaires was dated October 17, 1997. The Water Management Board has directed that owners of water permits who have not submitted the 1997 Irrigation Questionnaires be given notice of permit violation and a hearing to be held by the Board. The hearing is to determine if Permit No(s) 531-1 should be amended to require the Questionnaire to be submitted each year and to determine action to be taken for violation of Water Permit No(s) 1218-1 qualification:

"This permit is approved subject to the Irrigation Water Use Questionnaire being submitted each year."

The hearing will be held at 9:45 am, February 25, 1998 in Floyd Matthew Training Center, Joe Foss Building 523 E Capitol, Pierre, SD, and will be conducted pursuant to SDCL 46-1-12, 46-1-14, 46-2-9, 46-2-11 and 46-2-17. These are contested case hearings pursuant to Chapter 1-26. According to SDCL 46-1-12, the Board may suspend a permit for a period of up to one year for the first violation of a permit qualification or up to three years for a second violation, or cancel a permit for a third violation. Following the hearing, the Water Management Board can:

1. Suspend or cancel Permit No(s) 1218-1 in accordance with applicable provisions of SDCL 46-1-12;
2. Amend Permit No(s) 531-1 to require the Irrigation Water Use Questionnaire to be submitted each year;
3. Postpone any action or take no action.

The hearing is an adversary proceeding. The permit owner has the right to be present or to be represented by a lawyer. These and other due process rights will be forfeited if they are not exercised. Decisions of the Board may be appealed to the Circuit Court and the State Supreme Court as provided by law.

If the questionnaires are received in this office on/or before February 20, 1998, you will no longer be in violation of your permit and your name will be deleted from the Board agenda. If you have questions or need assistance in completion of the irrigation questionnaire(s), please contact Ginny McMath (605) 773-3352.

Note: Please contact the Water Rights Program, Joe Foss Building, 523 E Capitol, Pierre, SD (605-773-3352) to assure access to the meeting room for the handicapped or to obtain an interpreter for the hearing impaired.

Dear Mr. & Mrs. Hogen:

I am writing to acknowledge receipt of your 1997 irrigation questionnaires. You may disregard the January 9, 1998, "Notice" concerning reporting requirements for Water Permit Nos. 531-1 and 1218-1.

The information was received in our office prior to the Water Management Board meeting and your name has been deleted from the agenda.

If you have any questions, please contact me.

Sincerely,
