Dear Mr. Shoun:

I am writing to notify you that pursuant to the Notice of Intent to Validate Vested Water Right Claims dated June 20, 1988 that I intend to oppose validation of your water right claim No(s). 1228-1 until a field inspection has been completed. The claim has either never been inspected or an inspection was conducted so long ago that a new inspection is needed. An inspection is needed to determine the current state of your vested water right claim.

A staff member from the Division of Water Rights will be contacting you and scheduling an inspection of your water project. If we can answer any questions, please contact us.

Very truly yours,

COMMENTS:

On this date I inspected this V.R. with Mr. Shoun's son. He stated that his Father is deceased and that the V.R. should be transferred to his mother. The original Water License No. 1228-1 very accurately describes the irrigation which is present. The dikes and irrigated acreage ~~is~~ are the same as shown on the original license.

File in Permit or other file as necessary. Use to document conversations and what the other party was told; why action or decision was made.

Dear Mrs. Shoun:

On April 12, 1989, Jim Wendte, Staff Engineer with our office visited with your son concerning the irrigation system described in Vested Water Right Claim No. 1228-1. At that time, we realized the vested right claim, still listed under the name of Roy Shoun, should be transferred to your name.

Enclosed is a partially completed "Notice of Transfer" for use in filing an ownership change on Vested Water Right Claim No. 1228-1. Please check over the form and sign in the presence of a notary public. Upon completion of the form, return it to our office with a required filing fee of \$2.50.

If you have any questions, please contact me.

Dear Ms. Shoun:

The Water Management Board has validated the enclosed Vested Water Right No. 1228-1. This validation gives legal status to the claim and is the final document for your vested right.

As long as you use the water beneficially, as stated in the validation, State Water Laws provide that you have a continuing right to use the water.

Very truly yours,

JOHN HATCH, Chief Engineer
