Dear Mr. Burghduff:

Enclosed is the aerial map for Section 5, T20N, R2E that you gave to me in order that I could make some copies of it.

On August 16, 1983 when we visited with you regarding your Permits and old Water Right Filings I gave you a topog map showing the areas covered by No. 0161-1 and 0112-1. I errored on the 0161-1 in that it should be in the NE $\frac{1}{4}$ of Section 5. The area covers the water spreading system of Rhoda McDonald. When time permits I will make up the maps and necessary forms for a vested right for the area in the NE $\frac{1}{4}$ Section 5 based on Water Right filings No. 0161-1 and Dry Draw filing 260-1 and send them to you for corrections, signature etc.

If you have any questions regarding the matter please feel free to contact this office.
