Dear Mr. Burghduff:

On October 26, 1983 I made a field investigation with you of your irrigation projects in Section 4, 5, 6, 7, 8 and 9, T20N, R2E. In order to comply with the South Dakota water laws and to update your permits you will need to apply for two Vested Rights. One for each area as they are some distances apart and have separate diversion points.

In order to assist you in applying for the Vested Rights, I am enclosing two completed copies of Form No. 2, "Application for Permit" and one copy of Form 2B "Affidavit of Water Use" for each Vested Right. Please check over all of the forms and make any additions or corrections on them to make them as accurate as possible. Then sign all of the forms where shown and have them notarized. Then return all of the forms to this office with a check for \$21.00 to cover the cost of the examining fees and the Water License. (\$10.50 for each application).

Enclosed also is a map of the areas you are irrigating for each application, however, both are on one map. Please look over the maps and make any changes necessary to make it as accurate as possible. If you make any changes on the map please return it to this office along with the forms so that we may correct our office copy. If you do not make any corrections on the maps you may keep them for your use.

Also enclosed is a copy of Water Right Filing No. 0112-1 that you may keep for your information.

If you have any questions regarding the matter, please feel free to contact this office.
