Dear Ms. Goodwin:

The South Dakota Water Rights Program is in receipt of the "Notice of Transfer of Ownership" form and the required fees you submitted for Water Right No. 466-1B. Enclosed is a receipt of payment for your records.

Water Right No. 466-1B previously held by Asa & Helen Queen, authorizing irrigation of 115 acres located in portions of Section 18, T8N, R4E & portions of Section 13, T8N, R3E, is now listed under yourself. I have also updated your contact information in our system.

As a reminder, so long as you use the water beneficially, as stated in the license, State Water Laws provide that you have a continuing right to use the water. Should the water not be put to beneficial use for a period longer than 3 consecutive years, without legal excuse, the water right may be subject to cancellation.

If you have any questions, please contact me.

Sincerely,

Amanda Dewell
