Dear Mrs. Ham:

This letter is in regard to Water Right Nos. 824-1, 916-1 and 917-1 listed in Guy Ham's name. According to our records, a letter was sent to you in May, 1981 regarding the transfer of these permits to your name. In July, 1981, Mr. LeRoy Mernaugh of this office spoke with you concerning this matter and it was decided that the permits should be left as is, until Mr. Ham's Estate was settled.

At this time, this office would request information as to whether you wish the water rights to be transferred to your name (or perhaps a new owner) or left in Mr. Ham's name. To transfer these water rights all you would have to do is file a "Notice of Transfer" for each. The forms are available from this office upon request.

If you have any questions, please advise.

Dear Mr. Norman:

I am writing to acknowledge receipt of your change of ownership forms and the filing fees. The transfers have been completed and Water Right Nos. 824-1, 916-1 and 917-1 are now listed in the name of *Norman Ranch*.

Enclosed are your Receipt Nos. 416456, 416457 and 416458. You may keep these for your records.

I am also enclosing a sample copy of the yearly irrigation questionnaire. The sample copy of the questionnaire will give you an idea of what type of information to keep track of throughout the irrigation system. Irrigation questionnaires will be sent to you in October for Water Right Nos. 916-1 and 917-1. Our records show that the irrigation system used for No. 824-1 is a spreader system. An annual questionnaire will not be mailed to you for this specific water right.

If you have any questions, please get in touch with me.

Sincerely,
