Dear Mr. Karrels:

On December 17, 1984 and October 28, 1985, notices were sent to you concerning the transfer of Water Right No. 838-1 in the name of Mary Karrels. To date, we have not heard from you on this matter. A transfer form was previously sent to you, enclosed is an additional form. Please sign, have notarized and return the form to this office with the required filing fee of \$2.50. The water right can then be transferred to your name. If you are not the present owner of the land covered under this water right, please notify this office. South Dakota Water Law 46-5-30.3 requires Notice of any sale, grant, lease, conveyance or other transfer of a Water Permit or Water Right to appropriate water be filed with this office within ninety days.

The Statutes provide that a permit for irrigation remains appurtenant to the land. If there is an ownership change; however, no such assignment (transfer) shall be binding except upon the parties thereto, unless filed for record in this office.
