Dear Ms. Wilson:

In September, 1984, Mr. LeRoy Mernaugh, of this office inspected your water use system as authorized under Location Notice No. 223-1. At that time, Mr. Mernaugh spoke with Tom Wilson and informed him you would need to submit a Vested Right Application. Since that time, after discussion with staff and further interpretation of the South Dakota Water Law, it was concluded a Vested Right Application would not have to be filed.

In order to update your location notice, a notice of transfer should be filed with our office to transfer the name from Harriet E Wilson to you. When the transfer is completed, a water license will be issued for the lands you are actually irrigating. This will bring your location notice up-to-date.

Enclosed is a partially completed transfer form for transferring the location notice. Please check over, date, sign before a notary public and return the form to this office with a \$2.50 filing fee.

If you have any questions concerning this procedure, please contact us.
