Dear Mr. Olson:

In June, 1985, an inspection of your water use system under Location Notice No. 656-1 was conducted. A water license can now be issued for the lands you are actually irrigating.

In order to update the location notice, a notice of transfer should be filed with our office to transfer the name from George H. Nelson to you. When the transfer is completed, a water license will be issued.

Enclosed is a partially completed transfer form for transferring Location Notice No. 656-1. Please check over, date, sign before a notary public and return the form to this office with a \$2.50 filing fee.

If you have any questions concerning this procedure, please contact us.
