Dear Mr. Tinant:

Enclosed are 1989 irrigation questionnaires for Water Permit Nos. 1081-2 and 1186-2. The Water Management Board took action to suspend your water permit at their March 7, 1990 meeting. This action was taken since the questionnaire data was not in our office prior to the hearing.

If you want to petition the Water Management Board to rescind the suspension, you will need to submit a letter to our office requesting time on the agenda for the Water Management Board Meeting to be held May 23-24, 1990 in Watertown. The letter should include your reasons for not returning your irrigation questionnaires prior to the March Board Meeting.

The irrigation questionnaires and your letter requesting time on the agenda should be submitted to our office as soon as possible. If you have any questions, please contact Genny McMeth, (605) 773-3352.

Very truly yours,

JOHN HATCH, Chief Engineer
