Dear Mr. Nelson:

This letter is in regard to the inspection and licensing of Water Permit Nos. 1336-2, 1496-2 and 1497-2.

While reviewing the records of these permits, I was unable to locate the construction reports for the two wells in the NW $\frac{1}{4}$ and SW $\frac{1}{4}$ of Section 28, T-37N. R-39W. Please submit logs of these two wells to this office so that the licensing of your permits can be completed. If you do not have an actual well log available, an invoice or other document which shows the depth of the well and the casing and screen materials used will be acceptable.

I have enclosed logs of the four water rights observation wells in your area, as you requested during the inspection.

If you have any questions feel free to call this office.

Dear Mr. Nelson:

The inspection of your water use system and inspection of the extent of the application of water to beneficial use, as developed under your Water Right No. 1336-2 has been completed. Your final water right document, the Water License, can now be issued.

Statutes require that we charge a \$50.00 fee for the inspection and issuing of the Water License. Upon receipt of the \$50.00 fee from you, your Water License will be sent to you. South Dakota Water Law 46-5-30.1 requires that a permit holder may not divert water until this \$50.00 license fee has been paid.

Receipt No. 4 9774 in the amount of \$50.00 which you paid for inspection and issuance of Water License No. 1497-2 is on file in this office. Issuance of this license is pending due to lack of a well log. The driller has been notified and was requested to submit a copy of the well log for wells drilled under Permit No. 1336-2 and Permit No. 1497-2. A copy of the letter sent to the driller is enclosed.

If you have any questions, please contact our office.

Sincerely,

NOTICE

RE: Violation of Requirement to Submit 1990 Irrigation Questionnaire

Our records indicate that the 1990 Irrigation Questionnaire has not been submitted for Permit No(s) 1336-2, 1497-2. The request for the Questionnaire was dated October 12, 1990. The Water Management Board has directed that owners of water permits who have not submitted the 1990 Irrigation Questionnaire be given notice of hearing(s) to be held by the Board to determine if any action is to be taken concerning the violation.

The hearings will be held at 9:15 am, February 27, 1991, at the Governor's Inn in the meeting room, 700 West Sioux Avenue, Pierre SD.

The hearing will be conducted pursuant to the provisions of SDCL 46-1-12, 46-1-14, 46-2-9, 46-2-11 and 46-2-17. These are contested case hearings pursuant to procedures contained in SDCL 1-26. Following the hearing(s), the Water Management Board can:

1. Amend Permit No(s) 1336-2, 1497-2 to require the Irrigation Water Use Questionnaire to be submitted each year;
2. Postpone any action;
3. Take no action.

The hearing(s) is an adversary proceeding. The permit owner has the right to be present or to be represented by a lawyer. These and other due process rights will be forfeited if they are not exercised. Decisions of the Board may be appealed to the Circuit Court and the State Supreme Court as provided by law.

If the questionnaire(s) is received in this office before the February 27th hearing date, your name will be deleted from the agenda for the hearing.

Very truly yours,

Ron Duvall, Natural Resources Engineer IV
