RE: Violation of Requirement to Submit 1988 Irrigation Questionnaire

Our records indicate that the 1988 Irrigation Questionnaire has not been submitted for Permit No(s). 1340-2. The request for the Questionnaire was dated October 26, 1988. The Water Management Board had directed that owners of water permits who have not submitted the 1988 Irrigation Questionnaire be given notice of hearing to be held by the Board to determine if any action is to be taken concerning the violation.

The hearings will be held at 9:45 am, March 1, 1989 at the Howard Johnson's, Roosevelt Room, I-90 at LaCrosse, Rapid City SD.

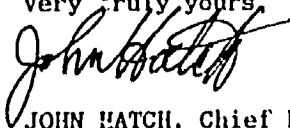

The hearing will be conducted pursuant to the provisions of SDCL 46-1-12, 46-1-14, 46-2-9, 46-2-11 and 46-2-17. These are contested case hearings pursuant to procedures contained in SDCL 1-26. Following the hearing, the Water Management Board can:

1. Amend Permit No(s). 1340-2 to require the Irrigation Water Use Questionnaire to be submitted each year;
2. Postpone any action;
3. Take no action.

The hearing is an adversary proceeding. The permit owner has the right to be present or to be represented by a lawyer. These and other due process rights will be forfeited if they are not exercised. Decisions of the Board may be appealed to the Circuit Court and the State Supreme Court as provided by law.

If the questionnaire is received in this office before the March 1st hearing date, your name will be deleted from the agenda for the hearings.

COMMENTS:

I talked to Robert Goodnow today, concerning Water Permit No. 1340-2. I told him that ^{since} the dam was constructed and they never redeveloped the irrigation, we would license Water Permit No. 1340-2 for the storage dam only. Mr. Goodnow said that he understood. He also said they changed their name to Twin Bluffs Properties, Inc.

File in Permit or other file as necessary. Use to document conversations and what the other party was told; why action or decision was made.

Dear Mr. Goodnow:

The inspection of your water use system and the inspection of the extent of application of water to beneficial use, as developed under Water Permit No. 1340-2, has been completed. Your final water right document, the Water License, can now be issued.

Statutes require that we charge a \$50.00 fee for the inspection and issuance of the Water License. Upon receipt of the \$50.00 fee from you, we will begin processing your Water License.

South Dakota Water Law 46-5-30.1 requires that a permit holder may not divert water until the \$50.00 license fee has been paid. Please contact us if you have any questions.

Sincerely,

Cheryl F. Frost
Secretary

Permit No. 1340-2 with a priority date of September 30, 1975 was approved March 17, 1976 and issued to applicant(s) for diversion of water with construction of the described water supply system to be completed on or before March 17, 1981 and for the application to beneficial use of said water on or before March 17, 1985.

In January of 1986, Water Permit No. 1340-2 was transferred to Robert Goodnow, Rainbow Ranch, Armour, SD.
