Dear Mr. Gartner:

Enclosed are Water Permit No. and Water License No. 2349-2 and Receipt No. 414688 for \$50.00 which was assessed for an inspection and issuance of the license. Water License No. 2349-2 is the final document which completes the process of obtaining a water right.

As long as you use the water beneficially, as stated in the Water License, State Water Laws provide that you have a continuing right to use the water.

Very truly yours,

JOHN HATCH, Chief Engineer
