Our records indicate that the 1995 Irrigation Questionnaire has not been submitted for Permit No(s) 1753-2. The request for the Questionnaire was dated October 20, 1995. The Water Management Board has directed that owners of water permits who have not submitted the 1995 Irrigation Questionnaire be given notice of hearing to determine if any Board action is to be taken concerning the violation.

The hearing will be held at 9:45 am, March 6, 1996, in the Floyd Matthew Training Center, Joe Foss Building, 523 E Capitol, Pierre, SD and will be conducted pursuant to SDCL 46-1-12, 46-1-14, 46-2-9, 46-2-11 and 46-2-17. These are contested case hearings pursuant to Chapter 1-26. Following the hearing, the Water Management Board can:

1. Amend Permit No(s) 1753-2 to require the Irrigation Water Use Questionnaire to be submitted each year;
2. Postpone any action; or
3. Take no action.

The hearing is an adversary proceeding. The permit owner has the right to be present or to be represented by a lawyer. These and other due process rights will be forfeited if they are not exercised. Decisions of the Board may be appealed to the Circuit Court and the State Supreme Court as provided by law.

If the questionnaire(s) is(are) received in this office on/or before March 1, 1996 your name will be deleted from the Board agenda. If you have any questions or need assistance with completion of the irrigation questionnaire(s) please contact Genny McMath at (605) 773-3352.

Note: Please contact the Water Rights Program, Joe Foss Building, 523 E Capitol, Pierre, SD (605-773-3352) to assure access to the meeting room for the handicapped or to obtain an interpreter for the hearing impaired.

Dear Mr. Christensen:

Thank you for returning my phone call yesterday regarding the irrigation questionnaire for Water Right No. 919-2. I completed a questionnaire for you indicating you did not irrigate under that water right in 2003.

During our conversation you indicated you may not irrigate under No. 919-2 in the future but wanted to keep the water right. Please keep in mind that in order to maintain a water right, water must be applied to beneficial use at least once every three years. I am enclosing a copy of the statutes and rules dealing with this issue.

As we discussed, enclosed are copies of the water rights we have listed in your name. Please get in touch with me as to whether or not you are going to discontinue irrigation on a portion of the land described in the water rights.

Dear Mr. Christensen:

I am writing to acknowledge receipt of the 2018 irrigation questionnaires for Water Right Nos. 918-2, 919-2 and 1753-2.

With respect to your note about removing Joann's name and adding Melodi's name, the answer is yes, that can be done. In order to change names on water rights, ownership changes must be filed. I have enclosed partially completed transfer forms for Water Right Nos. 919-2 and 1753-2. Upon completion, please sign the forms and return them to our office with a required filing fee of \$50.00 each (total of \$100). The check or money order for the fee can be made payable to the Water Rights Program.

I did not include a transfer of ownership form for Water Right No. 918-2 due to the notation you made about the use of water being abandoned. I looked back at last year's form and the same notation was made. A letter was written to you for confirmation on your intent towards 918-2 but no response was received. Based on the information you provided, Water Right No. 918-2 will be scheduled for cancellation consideration at the March, 2019 Water Management Board meeting. If you feel an error has been made and you wish to retain Water Right No. 918-2 please contact me.
