Dear Mr. Flesner:

I would like to take this opportunity to thank you for stopping into the DANR office to complete the "Notice of Transfer of Ownership" form for Water Right No. 2197B-2, previously held in the name of your son, Kurt Flesner. Enclosed is a receipt of payment for your records.

Water Permit No. 2703-3, authorizing the storage dam and its use for irrigation remains in his name, however, upon inspection and licensing of the dam, both Permit No. 2703-2 and Water Right No. 2197B-2 will be incorporated into one license under your name, thus negating the need for additional payment or paperwork.

As a reminder, so long as you use the water beneficially, as stated in the water right/permit, State Water Laws provide that you have a continuing right to use the water. Should the water not be put to beneficial use for a period longer than 3 consecutive years, without legal excuse, the water right/permit will be subject to cancellation.

If you have any questions, please contact me.

Sincerely,

Amanda Dewell
