Dear Mr. Bierwagon:

This letter is in reference to the 1984 Irrigation Questionnaire you returned for Water Right No. 771-2. You inquired as to why you had received two questionnaires and if that meant you had two water rights.

You do, in fact, have two water rights. Water Right No. 539-2 and No. 771-2 are both listed in your name. Enclosed is a copy of both.

You will not have to complete another questionnaire for the acres irrigated or water used under Water Right No. 539-2 for the 1984 Irrigation season. I have included an additional form with the questionnaire you returned and have marked both as "returned". The enclosed copies will aide you in completing the forms in future years. However, if you are unable to break down the usage, completing one questionnaire and returning both questionnaires is acceptable.

If you have any questions, please contact us.

Sincerely,

Genny McMath
