Dear Sir:

The United States of America, Department of Agriculture, Forest Service, Denver, Colorado, having filed "Notice of Intention" to utilize certain specified waters of the State, and there having been issued a withdrawal from further appropriation as provided in Section 61.0137, 1939 Revised Code of South Dakota and identified as Withdrawal No. W.D. 228, on Flag Hill Draw (Stream) County of Butte on the Harney Forest, has informed this office that the construction for the diversion, storage, appropriation and application of water to beneficial use has been fully completed and is ready for examination.

You are, therefore, hereby authorized to arrange with the holder of said withdrawal for an examination of the Flag Hill reservoir

ditch, or pipe line constructed and owned by the United States of America, Department of Agriculture, Forest Service, on the Harney Forest and also an inspection to determine the amount of water stored and applied to beneficial use.

In this examination you will ascertain whether or not the constructed works comply fully with the plans submitted and are capable of using quantities of water as set forth in the "Notice of Intention", and give in complete detail all the information which is suggested by the statements in the Certificate of Inspection which is herewith enclosed, in the attached instructions and such other information as will enable the State Engineer to act intelligently and judicially in the matter of determining the status of compliance of the projects.

You should also arrange with the holder of the withdrawal for the payment of fee for this service and such proper expenses as you incur in making examination and report and taking the testimony.

Very truly yours,

State Engineer.
