CERTIFICATE OF WITHDRAWAL

OF

PUBLIC WATERS

CUSTER COUNTY

SPRING

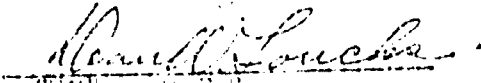

The National Park Service of the United States Department of the Interior having made application for the withdrawal of certain heretofore unappropriated public waters of the State of South Dakota, and having complied with the requirements of the statute of the State of South Dakota providing for such withdrawal, such statute and authority being contained in and described as Vol. 2, Chapter 2, Article 1, Paragraph 2243 of the Revised Code of 1913, now therefore:

This is to certify that all of the unappropriated waters from the spring which furnishes water for the Jewel Cave National Monument system located in the NE¹ of the NE¹, Sec. 2, T. 4 S., R. 2 E., Black Hills Meridian within the boundaries of Custer County, State of South Dakota, are hereby withdrawn from future appropriation during the continuance of the right herein granted and contained.

This certificate and withdrawal shall in no manner prejudice, alter, amend or affect the rights of any prior appropriator or prior appropriation of water, nor of any application for appropriation pending upon the date of this certificate, but the rights and privileges of any and all such prior appropriators or applicants for appropriation of water shall remain inviolate and intact, the same as if the within withdrawal had not been made.

This certificate shall be and is subject to cancellation in accordance with the provisions of the statute heretofore referred to and under the authority of which this certificate is issued.

In accordance with the provisions of the statute heretofore referred to this Certificate is executed at the State Capital at Pierre, South Dakota, on this 14th day of September, 1937.

STATE ENGINEER.

September 18, 1939

Re: Withdrawals Nos. 52 & 35

Joseph E. Taylor, Regional Attorney
National Park Service
601 Holden Bldg.
San Francisco, Calif.

Dear Sir:

Herewith please find enclosed Certificate of Construction of Works and Appropriation of water for U. S. Water Right No. 32, Jewell Cave Pipe Line, and U. S. No. 33-2, Wind Cave Pipe Line. The field report of Engineer A. van V. Dunn has been duly received and filed with the other documents pertaining to the project.

Very truly yours,

DEAN W. LOUCKS,
State Engineer.

Mr. Dean W. Loucks
State Engineer
Pierre, South Dakota

Dear Mr. Loucks:

The Water Rights Division, Branch of Engineering, of the National Park Service, has been transferred from San Francisco to Chicago. Accordingly, all matters relating to the perfection and preservation of water rights for the national parks and monuments should hereafter be sent to the Director's Office in Chicago. It will be appreciated if you will change the address on the rights which have already been initiated. Also, as far as possible, when special cases require direct communication with our Regional Offices or field officials, we should like to have a copy of the letter forwarded to the Director.

This procedure relates to the following water rights which have already been recorded in your office:

Federal Withdrawal No. 32 - for Jewel Cave National Monument
Federal Withdrawal No. 33 - for Wind Cave National Park
Federal Withdrawal No. 508 - for Wind Cave National Park
Federal Withdrawal No. 512 - for Badlands National Monument

Very truly yours,

(Signed) Hilroy A. Tolson
Acting Director
