Source of Appropriation-Stream

The United States of America, Department of Agriculture, having filed "Notice of Intention" to utilize certain heretofore unappropriated public waters of the State of South Dakota, in accordance with the requirements of the statutes of the State of South Dakota, such statutes and authority being contained in Section 51-0137 1939 Revised Code of South Dakota, now, therefore;

This is to certify that there is hereby reserved, of the heretofore unappropriated waters of Glenn County District, the annual amount of 17.11 acre-feet of water to maintain storage in reservoir created by damming said stream at a point feet distant from the Corner of Section 8, Township 15 N, Range 15 E, 25 to Northeast end of dam

The purpose of such storage is for stock water. This is to certify that there is hereby reserved, of the heretofore unappropriated waters of Glenn County District, a maximum of 17.11 cubic feet per second to be diverted through the bank ditch, canal or pipe line at a point located on the bank feet distant from the Corner of Section Township 15 N, Range 15 E for the purpose of stock water during the months of July, August, September, October, November, December

This certificate and withdrawal shall in no manner prejudice, alter, amend or affect the rights of any prior appropriator or prior appropriation of water, nor of any application for appropriation, pending on the date of this certificate, but the rights and privileges of any and all such prior appropriators or applicants for appropriation of water shall remain inviolate and intact, the same as if the within withdrawal had not been made.

This certificate shall be and is subject to cancellation in accordance with the provisions of the statutes hereinbefore referred to and under the authority of which this certificate is issued.

In accordance with the provisions of the statutes hereinbefore referred to, this certificate is executed at the State Capitol at Pierre, South Dakota, this 25th day of October 1937.
