CERTIFICATE OF WITHDRAWAL OF

WATER FOR APPROPRIATION

TO

UNITED STATES DEPARTMENT OF INTERIOR
BUREAU OF INDIAN AFFAIRS

BUFFALO COUNTY

Crow Creek

Name of Stream

The United States Department of the Interior, Bureau of Indian Affairs, Crow Creek Agency, having made application for the withdrawal of certain heretofore unappropriated public waters of the State of South Dakota, and having complied with the requirements of the statute of the State of South Dakota providing for such withdrawal, such statute and authority being contained in and described as Vol. 2, Chapter 2, Article 1, Paragraph 3243 of the Revised Code of 1919, now therefore:

This is to certify that there is hereby reserved, of the heretofore unappropriated waters of Crow Creek, the annual amount of eighteen acre-feet of water to be diverted at a maximum rate of 1.11 cubic feet per second of water; the point of diversion to be on the left bank a distance of 2,773 feet N. $57\frac{1}{2}$ degrees west from the Section corner common to Sections 28, 29, 32, 33, Twp. 106 N., R. 70 W., which water is to be used for the irrigation of certain lands in parts of the E/2 of SW/4 and W.2 of SE/4 of Sec. 28, Twp. 106 N., R. 70 W., Buffalo County, South Dakota and the above said water is hereby withdrawn from future appropriation during the continuance of the right herein granted and contained.

This certificate and withdrawal shall in no manner prejudice, alter, amend or effect the rights of any prior appropriator or prior appropriation of water, nor of any application for appropriation pending upon the date of this certificate, but the rights and privileges of any and all such prior appropriators or applicants for appropriation of water shall remain inviolate and intact, the same as if the within withdrawal had not been made.

This certificate shall be and is subject to cancellation in accordance with the provisions of the statute hereinbefore referred to and under the authority of which this certificate is issued.

In accordance with the provisions of the statute hereinbefore referred to, this certificate is executed at the State Capitol at Pierre, South Dakota, this Eighth day of February 1936.

Charles H. Roush
State Engineer.

Mr. James H. Hyde, Supt.
Crow Creek Indian Agency
Fort Thompson, S.D.

Dear Mr. Thompson:

This will acknowledge receipt of your letter of January 27 notifying this office of your intention to appropriate certain waters on Crow Creek.

We are herewith enclosing a mimeographed list of the data that has been furnished us from other Governmental agencies in connection with similar withdrawals. You will note that the quantity of water to be appropriated has not been indicated in your request or definite description of the waters of diversion, also a map should be furnished showing the layout in relation to the land lines and method of proposed diversion such as from reservoirs or from direct pumping ditches, etc.

Kindly furnish us with completed data and we will immediately issue the withdrawal requested. We are also enclosing blank forms of the withdrawal so that you may know what information is desired.

Thanking you for your cooperation in the matter. We are,

Very truly yours,

DEAN W. LOUCKS,
State Engineer.
