Dear Mr. Adrian:

On June 5, 1980, accompanied by Curt Adrian, I made an inspection of the irrigation developed under Permits 1773-3, 2062-3, 2063-3 & 4122-3 so licensing of these Permits can take place.

The N $\frac{1}{2}$ NE $\frac{1}{4}$, Section 34, T99N, R53W included in your Permit No. 4122-3 had a previous Permit No. 133-3 issued to Ernest Larson. In licensing Permit No. 4122-3 we propose to incorporate the applicable portions of Permit No. 133-3 including the earlier priority for the 80 acres, and cancel out Permit No. 133-3. To include Permit No. 133-3, we should have it transferred to your name. Please sign and have the enclosed Form 20 notarized, and return it to this office with the required fee of \$2.50 for the transfer.

Statutes require that we charge \$50.00 for each inspection and issuance of the Water Licenses. Please submit \$200.00 to cover the four Permits and the Water Licenses will be sent to you.
