Dear Mr. Creasey:

I am writing to acknowledge receipt of your annual irrigation questionnaires. Prior to entering the data into the files, I need to gather more information from you.

It is acceptable to group all the information for the separate irrigation systems on one form. Since there are six water rights involving a large number of acreage, we need to know which land the information you sent in pertains to. The following is a list of the water rights and the acreages covered under each one.
