Dear Sirs:

Enclosed is your Reissued Water License No. 1567A-3. Based on the ownership change you filed, Water Right No. 1567-3 was divided and reissued as follows:

- **No. 1567A-3; Robert John Geary and Cody James Geary**, authorizing diversion of 2.00 cfs to irrigate 160 acres located in the SW ¼ Section 1, T90N, R49W.
- **No. 1567B-3, Lafleur Investments LLC**, authorizing diversion of 1.00 cfs to irrigate 80 acres in the N ½ SE ¼ Section 1, T90N, R49W (*issuance of No. 1567B-3 is being withheld pending action by the Water Management Board*).

For your information SDCL 46-6-27 requires that if in the future, the owner of an existing well constructs a replacement well and does not plan to use the old well, the old well is considered abandoned and must be plugged. Also, any well that is being used or is not considered abandoned must be valved and controlled, if flowing, or sealed and capped so that no leaking occurs either underground or at the surface.

Also enclosed for your records is Receipt No 08589 in the amount of \$50.00 which you paid for filing the ownership change. As long as you use the water beneficially, as stated in the Water License, State Water Laws provide that you have a continuing right to use the water.

Sincerely,

No. 1567-3

Robert J Geary
32750 480th Ave
Elk Point SD 57025

Dear Mr. Geary:

Based on our phone conversation, enclosed is a partially completed "Notice of Transfer" form for use in filing an ownership change on Water Right No. 1567-3. The water right is currently listed in the name of Casey Westergard. If I understood correctly, you bought the SW 1/4 Section 1-T90N-R49W. On the transfer form, cross-off the acres that you do not own. The water license will be reissued accordingly. Do you know if the N 1/2 SE 1/4 Section 1 has been irrigated recently and who the current owner is?

The transfer form should be completed, checked over for accuracy, and signed by the new owner. Upon completion, return the form to our office with a required filing fee of \$50.00.

Also enclosed are an application form, instructions, a copy of Water Permit No. 7773-3 and map. You indicated you bought the land in the S 1/2 SE 1/4 Section 2-T90N-R49W. I am assuming you intend to have the pivot authorized by No. 7773-3 make a complete rotation. You will need to make application for the additional acres.

If you have any questions, please contact Eric Gronlund or me.

Sincerely,

Karen Schlaak

Dear Sirs:

Water Right No. 1567-3 for Casey Westergard, authorizes irrigation 240 acres located in the SW $\frac{1}{4}$ and N $\frac{1}{2}$ SE $\frac{1}{4}$ Section 1, T90N, R49W. The ownership change you filed for the land in the SW $\frac{1}{4}$ Section 1 described in the water right is being processed.

Recently we visited by phone concerning the portion of land in the N $\frac{1}{2}$ SE $\frac{1}{4}$ Section 1. I went back and looked at the original application and it does look like it was filed for the SW $\frac{1}{4}$ Section 1 and the N $\frac{1}{2}$ SE $\frac{1}{4}$ Section 2, T90N, R49W. In 1973, an inspection was done and a water license issued indicating the land was all in Section 1. This most likely was an error however what is done is done and we can't legally change it now.

We will need to divide the water right into and "A" and a "B" number with portion of the water right in the N $\frac{1}{2}$ SE $\frac{1}{4}$ Section 1 eventually being scheduled for cancellation. This will not affect the portion of the water right you now own in the SW $\frac{1}{4}$ Section 1.

In January, 2018 you submitted a water permit application for authorization to irrigate the S $\frac{1}{2}$ SE $\frac{1}{4}$ Section 2, T90N, R49W from a well located in the SE $\frac{1}{4}$ Section 2 authorized under Water Permit No. 7773-3. Before the application can be processed, a \$200 fee is still required. A check or money order for the fee can be made payable to the "Water Rights Program".

If you have any questions, please get in touch with us.

Sheryl Lafleur
Lafleur Investments LLC

Dakota Dunes SD 57049

Dear Ms. Lafleur:

I am contacting you in regard to Water Right No. 1567-3, originally issued to Bridget & Eugene Flynn. The water right authorizes irrigation of the SW $\frac{1}{4}$ and N $\frac{1}{2}$ SE $\frac{1}{4}$ Section 1, T90N, R49W from a well located in the SW $\frac{1}{4}$ Section 1.

In January, 2018, Robert & Cody Geary filed an ownership change on the portion of the water right located in the SW $\frac{1}{4}$ Section 1. It is then that we discovered the remaining land described on the water right located in the N $\frac{1}{2}$ SE $\frac{1}{4}$ Section 1 was never irrigated and should not have been included on the original license.

A search of ownership records found Lafleur Investments LLC owns the land in the N $\frac{1}{2}$ SE $\frac{1}{4}$ Section 1. I have enclosed a map of the area showing the respective ownership of the land described in the water right to give you a visual of where it lies in relationship to I-29 and County Road 18.

Our intent is to divide the water right into an A & B (1567A-3, Robert & Cody Geary and 1567B-3, Lafleur Investments LLC) showing respective ownership. At that time, No. 1567B-3 would be scheduled for cancellation consideration. Prior to doing that, I wanted to get in touch with you to ensure, as owner of the land, you were in agreement with proceeding in this manner.

Please give me a call at your earliest convenience. I am out of the office April 27th and May 2-4^h but otherwise will be available to discuss the water right with you. I look forward to hearing from you. Thank you in advance,

Sincerely,
