The request for the Questionnaire was dated October 26, 1988. The Water Management Board had directed that owners of water permits who have not submitted the 1988 Irrigation Questionnaire be given notice of hearing to be held by the Board to determine if any action is to be taken concerning the violation.

The hearings will be held at 9:45 am, March 1, 1989 at the Howard Johnson's, Roosevelt Room, I-90 at LaCrosse, Rapid City SD.

The hearing will be conducted pursuant to the provisions of SDCL 46-1-12, 46-1-14, 46-2-9, 46-2-11 and 46-2-17. These are contested case hearings pursuant to procedures contained in SDCL 1-26. Following the hearing, the Water Management Board can:

1. Amend Permit No(s). 3935-3, 1793-3, 1794-3, 1795-3, 1796-3 to require the Irrigation Water Use Questionnaire to be submitted each year;
2. Postpone any action;
3. Take no action.

The hearing is an adversary proceeding. The permit owner has the right to be present or to be represented by a lawyer. These and other due process rights will be forfeited if they are not exercised. Decisions of the Board may be appealed to the Circuit Court and the State Supreme Court as provided by law.

If the questionnaire is received in this office before the March 1st hearing date, your name will be deleted from the agenda for the hearings.
