Dear Mr. Maendl:

Thank you for taking the time to visit with me today regarding your 2015 irrigation questionnaires.

During our conversation you mentioned you have retired and your son-in-law actually does the farming. You inquired as to what would be needed to change the name on the files. If you would like to make a regular ownership change, I have enclosed two partially completed "transfer of ownership" forms. Once you decide to file the ownership changes, please complete the forms and return them to our office with a required filing fee of \$50.00 each (\$100 total). The check or money order for the fee can be made payable to the Water Rights Program.

If you would like to have the irrigation questionnaires sent to the person doing the farming, I can do that without having an ownership change filed. We have many irrigators who have "managers or leasers" that fill out the annual forms. This is totally up to you.

I have also enclosed copies of the water rights for your files in the event you do not have them. If I can help with anything else, please give me a call.

Sincerely,
