Mr. Harold Williams
City Auditor
Geddes, South Dakota 57342

Dear Mr. Williams:

On December 14, 1972, Mr. Donald Driscoll of this office checked with you regarding the request of the City of Geddes to obtain water rights.

South Dakota Water Laws specify that use of water originating before July 1, 1955 can qualify as a "vested right" and where the water is from an underground source, such "vested right" can be validated by filing a declaration of such use in a form and manner as prescribed by the Water Resources Commission.

The Commission Staff has prepared the required "Vested Right" declaration for the City of Geddes. It consists of the two enclosed forms. These forms have been prepared in duplicate.

All four copies of the enclosed forms should be signed by an official of the City of Geddes, before a Notary Public, where indicated. The signed copies should then be returned to this office with the required fee of ten dollars.

These forms will then be considered by the Water Resources Commission at their next meeting on January 24, 1973. Unless there is some unforeseen development, a "Vested Right" Water License will be sent to the City of Geddes, soon after that date. This "Vested Right" will also be recorded and filed in the office of the Water Resources Commission.

Sincerely,

BURTON F. JONES
