Oahc- Request for Easement

Dear Mr. Goetz:

Reference is made to our letter dated 19 December 1973 in which you were advised that it would be necessary that you obtain a] water service contract from the Bureau of Reclamation.

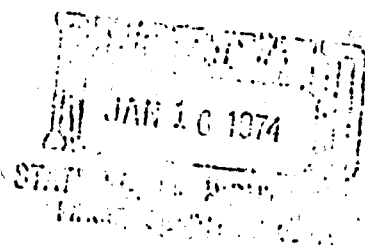

Recent changes in the regulations eliminate the need for a water service contract.

Sincerely yours,

TO: Water Resources Commission
State Office Building No. 2
Pierre, South Dakota 57501

Dear Sirs:

This is to inform you that I have completed the construction of the water diversion system and/or that I have put the water to beneficial use to the maximum extent it is going to be used, not exceeding the amounts as specified in Water Right Permit No. 1972-3.

Water Right Permit No. 1972-3 states that the diversion system is to be constructed by May 23, 1978 and that the water is to be put to beneficial use by May 23, 1978.

The diversion system was completed on June 20, 1974. Applying the water to beneficial use was completed on Sept. 21, 1974.

You may schedule an inspection so that the Certificate of Construction and/or the Water License may be issued, thus completing my acquisition of a water right.
