Dear Sirs:

This is to inform you that I have completed the construction of the water diversion system and/or that I have put the water to beneficial use to the maximum extent it is going to be used, not exceeding the amounts as specified in Water Right Permit No. 2006-3.

Water Right Permit No. 2006-3 states that the diversion system is to be constructed by September 12, 1974 and that the water is to be put to beneficial use by September 12, 1974.

The diversion system was completed on November 27, 1973. Applying the water to beneficial use was completed ^{partially} on December 3, 1973.

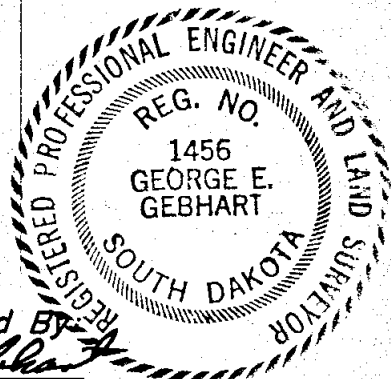

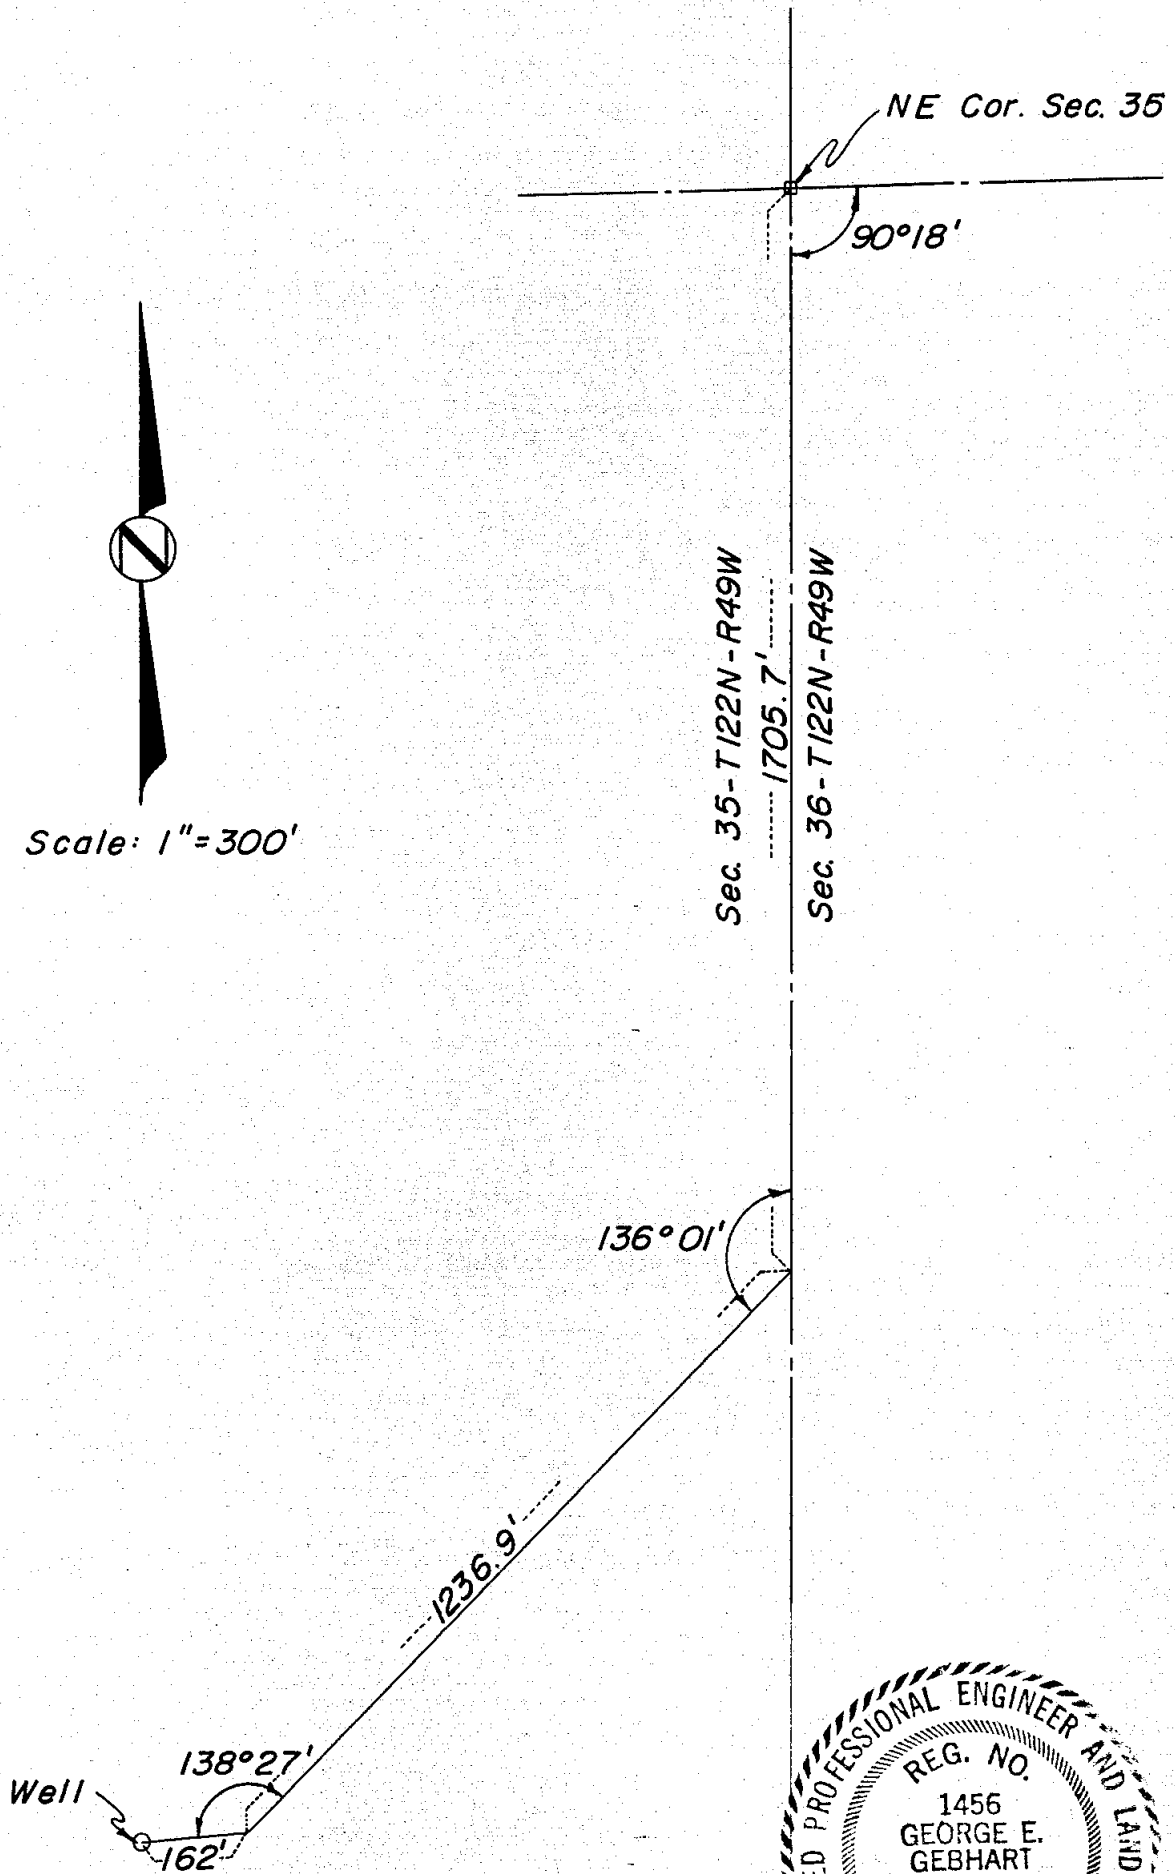

You may schedule an inspection so that the Certificate of Construction and/or the Water License may be issued, thus completing my acquisition of a water right.

Dear Ms. Schultz:

On August 23, 2005 an investigation of the water use system for the Town of Corona, including the extent of application of water to beneficial use, as developed under Water Permit No. 2006-3, was completed by Mike DeFea, a staff engineer with our program. The water license can now be issued.

State law requires that we charge a \$50.00 fee for the investigation and issuance of the water license. Upon receipt of the \$50.00 fee from you, we will complete processing of the water license. The check or money order for the fee should be made payable to the "Water Rights Program".

The licensed water right will be similar to a property right that can not be lost as long as the water use continues and you abide by the permit requirements.

If you have any questions regarding the water permit, investigation of the water use system or payment of the fee, please contact me.

STATE OF SOUTH DAKOTA

WATER LICENSE NO. 2006-3

(1) Town of Corona, PO Box 96, Corona SD 57227 made Application No. 2006-3, August 16, 1973 for a water permit to divert 0.30 cubic feet of water per second from groundwater (one well), Roberts County, South Dakota for municipal purposes. Permit No. 2006-3, with a priority date of August 16, 1973 was approved September 12, 1973 and issued to the applicant for diversion of water with construction of the described water supply system to be completed on or before September 12, 1974 and for the application to beneficial use of water on or before September 12, 1974.

(2) The water supply system has been completed and water applied to beneficial use in accordance with South Dakota State Law. Pursuant to South Dakota Codified Law 46-5-30.1, the holder and/or owner of Water Right No. 2006-3 is issued a license, bearing a priority date of August 16, 1973 to appropriate 0.245 cubic feet of water per second from groundwater (one well) for municipal purposes.

The diversion point is located: 2,620 feet south and 935 feet west of the northeast corner of Section 35-T122N-R49W (SE ¼ NE ¼).

(3) This license is subject to South Dakota Water Law, any limitations or conditions listed in Water Permit No. 2006-3 including the following now applicable qualification:

- The well approved under this Permit will be located near domestic wells and other wells which may obtain water from the same aquifer. The well owner under this Permit shall control his withdrawals so there is not a reduction of needed water supplies in existing domestic wells.
