Dear Mr. Varilek:

Thank you for calling concerning water rights listed in your dad's name. Enclosed as we discussed are copies of the water rights and permits.

I am also enclosing forms for you and Mick to file ownership changes. Please review the forms, make any necessary changes and complete as needed. Upon completion, please sign the forms and return them to our office with a required filing fee of \$2.50 each. The check or money order for the fees can be made payable to the Water Rights Program.

All but two of the water permits have been licensed. Water Permit Nos. 2090-3 and 4638-3 were inspected for licensing purposes back in 1993. We sent letters to Elvern requesting he file an application for another water permit to bring the system into compliance as it was developed. The application was never received and the permits remain unlicensed.

As soon as the ownership changes have been filed, we would like to work with whoever owns the land described in those permits to bring them up-to-date.

If you have any questions, please contact us.

Sincerely,

Genny McMath

Dear Mr. Varilek:

I am writing in regard to ownership of land described in the water permits and rights listed in your dad's name. In February 2005, I mailed copies of all of them to you and included transfer of ownership forms for completion. To date, we have not received the forms back from you.

In the event you need them, I am enclosing an additional set of forms for you and Mick to file ownership changes. Please review the forms, make any necessary changes and complete as needed. Upon completion, please sign the forms and return them to our office with a required filing fee of \$2.50 each. The check or money order for the fees can be made payable to the Water Rights Program.

It is important that ownership records be kept current. While this is not a pressing issue, I am writing to find out if you have questions or concerns prior to filing the ownership changes.

Two of the water permits remain unlicensed. As soon as the ownership changes have been filed, we would like to work with whoever owns the land described in those permits to bring them up-to-date.

Dear Mr. Varilek:

I am contacting you in regard to ownership of land described in Water Right Nos. 1074-3, 1508-3A, 2089-3, 2272-3 and 2566-3. The water rights are still listed in your dad's name and need to be updated to reflect current ownership.

In the event you no longer have the original forms sent to you in February and August of 2005, I am enclosing another set. Please review the forms and complete as needed. Upon completion, please return the forms to our program with a required filing fee of \$2.50 each (total of \$12.50).

It is important that the water rights reflect proper ownership. If you have sold the land and are no longer the contact person, please let me know.

I/We understand that the validity of Water Right No. 2089-3 has not been determined by this transfer action. If I/We have any questions on validity, I/We understand that only the Water Management Board has the authority to determine if a water permit/right is valid (see note).

You are requested to file this "Notice of Transfer" in the appropriate file with the Water Rights Program, as evidence of the change of ownership.
